

Chris Delpire

1126 Bluemont Avenue
Manhattan, KS 66502
(615) 887-7027 Delpire@ksu.edu

Education

- **Kansas State University**, Manhattan, KS Expected: May 2015
 - Major: Computer Engineering GPA: 3.8/4.0
- **Hume-Fogg Academic High School**, Nashville, TN
 - 700 Broadway Nashville, TN 37221 (615)291-6300 GPA: 3.9/4.0

Experience

- Software Engineering Summer Internship May 2013 – August 2013
National Instruments | Austin, Texas
Application Software Technologies
Update Service Team
- Software Engineering Summer Internship May 2014 – August 2014
Cerner | Kansas City, Kansas
Business Service Management
Data Center Automation Team

Skills & Qualifications

- Three years Programming Experience
 - Best languages: Java, C#, Python, Javascript, HTML, CSS
 - Some experience: C, C++, Perl
- Github: <https://github.com/Delpire>

Activities & Organizations

- Etta Kappa Nu ECE Honors Society 2013 – Present
- Etta Kappa Nu Initiation Chair 2014 – Present
- Tau Beta Pi Engineering Honors Society 2014 – Present

Kansas State University Computer Engineering Course Work

- Introduction to Computer Engineering
- Introduction to Electrical Engineering
- Digital Design
- Micro controllers
- Circuit Theory I & II
- Engineering Physics I & II
- Data Structures, C, C++, C#
- Calculus I, II, & III
- Differential Equations
- Linear Algebra
- Abstract Algebra
- Discrete Math
- Electronics I
- Applied Scientific Computing
- Cyber Security
- Electromagnetic Theory
- Software Architecture and Design
- Linear Systems
- Computer Design
